

RS 1000 | RS 1200

Due to the adjustable display with backlight the RS Money Scale can be operated from any position.

The RS 1200 Money Scale recognizes each coin roll automatically. Put different coin rolls on the scale and count them in just one step.

RS 2000

After a short period of learning large batches of banknotes can be placed and counted.

You can order coin cups of different cash drawers for a faster and more comfortable counting of coins!

RS Money Scale

Ideal for your cash accounting and your cash management – our RS Money Scales. As a complete accounting system they do your cashing up in just a minute, the RS 2000 with a dynamic weighing function in even less than a minute.
